

Remarks

A comparison of the claims included in the Examiner's Amendment which accompanied the Notice of Allowability ("the Allowed Claims") with the claims included in the Response to first Office Action as amended in a telephone between the undersigned and Examiner Smithers on December 1, 2004 revealed that errors appear in the Allowed Claims. The above-requested changes in the claims are made to correct those errors. Review and entry of this Rule 312 Amendment is requested. No new matter is added by this amendment.

The Examiner is requested to call Applicant's attorney at (408) 392-9250 if he has any questions.
